

## TRAVEL REGISTRY SERVICE FOR PENINSULA WEDDINGS

# Help with your wedding logistics – local knowledge, with a smile!

The Mornington Peninsula's Hinterland is the **perfect setting** for your wedding, as you have discovered. Now that you have chosen the venue in which to celebrate your special day, you may like to **consider transport**.

The Hinterland is not well served by taxis, being a hidden treasure, so we have created a **travel registry** service to ensure **your guests are able to relax and enjoy** all aspects of the day.

The Red Hill Regional Shuttle Travel Registry takes all the pressure of organising transport away from you – we provide **a card to be slipped in with your invitations**. Guests who wish to take advantage of this service then contact The Red Hill Regional Shuttle directly.

We collate details, organise the right sized vehicle/s and contact guests with the time of departure in the week prior to the wedding, ensuring **safe door to door travel**, to and from the venue.

We offer **collections Peninsula-wide** to reception venues.

We also provide you with a **comprehensive list** of differing styles of **accommodation** around the Hinterland for you to pass on to all your guests, making their organisation of the weekend or night's stay easier.

Our accommodation list offers access to houses suiting families or groups of 6 to 8, Luxurious B&Bs for those taking advantage of a weekend escape or a comfortable bed for the night close by.

Booking accommodation early ensures choices and avoids disappointment – it will be the Wedding Season!

Please contact us to discuss this service further and how it may best suit your needs on **5989 2929** or email **info@redhillshuttle.com.au**
